

## **Congratulation!!!!!!!!!!!!!!!**

Planning a wedding is a very exciting and hectic time in your life. During the weeks ahead you will think about many things, one of which is how you and your attendants can look the best, for this special day.

I would like to offer you, and your bridal party, and mothers of the bride and groom a time for pre-wedding pampering. At your convenience. I will take everyone through a complimentary facial and color, that should enhance their natural appearance. I will teach you skin care and some of the latest cosmetic techniques while creating a special look for your big day.

Then, if you would like I will come the day of your wedding to help all of you look your loveliest for the wedding and your pictures.

Please call me at your earliest convenience to schedule a time to take advantage of this offer. I would like to remind you that there is no charge for either of these services. I look forward to hearing from you soon.

Sincerely
