**\*\*\*\*VERY IMPORTANT\*\*\*\*** I Try to put out this agenda far enough in advance so that you can mark it in your calendar to be pre- pared. Please consider it an honor to be asked to do something at our meetings — as it not only helps you grow, and become more confident, it is a sign of our confidence in You and your ability! When un- foreseen challenges arise, and you cannot fulfill your assignment . . . please don't leave us hanging— call a sister consultant and work out your own replacement, and then call or e-mail Julie to let her know of your replacement. Thanks for helping make our meetings the greatest!
