

Dear Business Owner,

My name is _____ and I am an **Independent Mary Kay Consultant** in your area. I am participating in **OPERATION SUNSCREEN 2010** to help provide essential sunscreen products for our Soldiers Overseas. This time of year the weather is brutal and they soon run out of the sunscreen the Military initially provides for them. Any extra products of this type *must be purchased out of their own pocket*. SO... with that in mind, I am collecting donations to help provide our top quality Mary Kay Sunscreen, *which has the American Cancer Society Seal of Approval*, to our Soldiers overseas. These products will be sent to the Soldier's Angels center in Ramseur, NC. There, the sets are put in care packages, or sent by the box load to where ever it is needed most. Your donations are **100% Tax Deductible** through this organization. **AND every Operation Sunscreen Set you donate will have a sticker that says: Given by: with your name and Business.** This is a new option I'm excited to share with you! I think it is good for them to know that there are REAL people back home who support them!!

Mary Kay's OPERATION SUNSCREEN

**Given by:
Your Name
& Company**

In grateful appreciation of your service to our country!

Each Soldier will receive 3 items per set: an SPF 30 Sunscreen, a Lip Balm w/Sunscreen, and an After Sun Gel for your tax deductible donation of only \$40.

Below are some comments from letters received by Soldiers Angels from several of our deployed men and women in previous Operation Sunscreen Events! I hope you can tell how special these gifts are to them...

- ✱ *...thank you so much for your package!!!! ... **I love love love love Mary Kay!!!!** I know i am in the dessert, but I still like feeling like a lady..... **I can't just believe you sent me Mary Kay=).** I really really love your package! **It is better than Christmas...** I really appreciate all you do for our troops! What you do means more than you know. Words just can't express. ...thank you again. - H H*
- ✱ *Thank you for your generous donation of **Mary Kay sun care products**. They have been flying off the shelf. We provided our resident Medical Clinic with a box and they have run out. Your donation arrived at a perfect time, during the heat of summer. I am one of the lucky ones who conduct the majority of my business inside an air-conditioned building. As soon as I walk outside the heat slaps me in the face. **We have offered these products to our mechanics and troops conducting patrols and they are eagerly accepted.***
- ✱ *Thank You so much for the wonderful package. I was surprised to see **Mary Kay** products, which are my absolute favorite. Thank you so much for thinking of us and keeping us in your thoughts and prayers. We are so very honored by our Soldiers' Angel...*
- ✱ ***You have brought a little extra sunshine to my day today. Being a female over here it is really hard to get the nice girly things like Mary Kay Products and be able to enjoy the little things in life that I know I take for granted when we are home.** Thank you so much for all of your support through your gracious gift! May God Bless and keep you may his face shine upon you today and everyday! Thank You, SGT GATZKE 02/2008*

I hope you will consider donating **10** or even **20 sets** to help our Soldiers weather the summer overseas, but even **1** will be greatly appreciated! You will receive a tax deductible receipt upon payment by either check, MasterCard, Visa, AMEX or Discover. Checks can be made payable to: _____

I will call you soon to see how many packages I can send **in your name** to our deployed men and women this summer!

Sincerely,
