The DIQ qualification period details:

1. \$18,000 cumulative wholesale production in 1-4 months.
(the DIQ must contribute at least \$1800, but not more than \$4000)
2. At least \$4000 per month wholesale unit production.
3. 24 active unit members (includes the DIQ) to finish.
4. At least 10 of the 24 (not including the DIQ) must have at least \$600 cumulative wholesale production during the qualification process.
